(a) **Dog Licenses.**

- (1) **License Requirement.** It shall be unlawful for any person in the Village of Rio to own, harbor or keep any dog more than five (5) months of age without complying with the provisions of Sec. 174.05 through Sec. 174.10, Wis. Stats., relating to the listing, licensing and tagging of the same.
- (2) **Owner's Responsibility to Obtain License.** The owner of any dog more than five (5) months of age on January 1 of any year, or five (5) months of age within the license year, shall annually, or on or before the date the dog becomes five (5) months of age, pay a license tax and obtain a license.
- (3) **Dog License Tax.**

Stats., shall be paid on each dog license issued and the amount of Village tax shall not exceed the total cost of all dog licensing, regulating and impounding activities for the previous year, less any refund which may be received under Sec. 174.09(2), Wis. Stats. The license year commences on January 1 and ends on the following December 31. The dog license tax under this Section shall be:
 1. Neutered males and spayed females: As prescribed in Section 1-3-1.
 2. Unneutered males and unspayed females: As prescribed in Section 1-3-1.
 - b. If the dog becomes five (5) months of age after July 1 of the license year, the full license fee shall be paid, with no pro-rating.

The Village Administrator shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year.
- (5) **License Tag.**
 - a. The owner shall securely attach the tag to a collar and the collar with the tag attached shall be kept on the dog for which the license is issued at all times, except as provided in Section 7-1-2(e).

- b. The fact that a dog is without a tag attached to the dog by means of a collar shall be presumptive evidence that the dog is unlicensed. Any law enforcement or humane officer may seize, impound or restrain any dog for which a dog license is required which is found without such tag attached.
- (b) **Kennel Permits; Multiple Dogs Licenses; Kennel Construction Standards.**
- (1) ***Multiple Dogs License and Kennel Permit Requirements; Revocation.***
- a. Any person who keeps more than three (3) animals over the age of six (6) months shall obtain a kennel permit. In the case of dogs, any person who keeps more than three (3) dogs shall, instead of the license tax for each dog required by this Chapter and state law, apply for a multiple dogs license for the keeping of the dogs. Such person shall pay for the license year a license tax as prescribed in Section 1-3-1 for twelve (12) or fewer dogs and an additional fee for each dog in excess of twelve (12). A kennel permit is required in addition to the multiple dog license.
- b. Any person wanting to operate an animal kennel, non-commercial or commercial, shall apply for a kennel permit with the Village Administrator and pay a one-time kennel permit application review fee per Section 1-3-1, in addition to any other required licensing fees. An application for a kennel permit shall state the name and address of the owner of the proposed kennel, the location of where the kennel is proposed to be located, and the number of animal and means of confinement proposed to be kept. In the case of dogs, upon payment of the required multiple dogs license tax, and upon presentation of evidence that all dogs over five (5) months of age are currently immunized against rabies, the Village Administrator shall issue the multiple dogs license and a number of tags equal to the number of dogs authorized to be kept following Village Board approval of a kennel permit application; the multiple dogs license is a requirement separate from the kennel permit. Kennel construction standards in Section 7-1-27 shall be complied with.
- c. Village Board approval is required for all kennels. With all kennel permit applications, the Police Department shall provide a written recommendation to the Village Board. A kennel may only be located in a residential area following a public hearing and approval by the Village Board; the Village Board may attach conditions to such approval similar to a conditional use under the Village Zoning Code. The Village Board may revoke any kennel permit for violation of this Chapter after reasonable notice and opportunity to be heard is given the kennel permit holder.
- (2) ***Multiple Dogs License Tags; Requirements; Exceptions.*** The owner or keeper of multiple dogs shall keep at all times a multiple dogs license tag attached to the collar of each dog over five (5) months old kept by the owner or keeper under a multiple dogs license but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area.

The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area.

- (3) **Confinement/Leash Requirement.** No dog bearing a multiple dog tag shall be permitted to stray or to be taken anywhere outside the limits of the owner's premises unless the dog is on a leash or temporarily unconfined/unleashed for the purposes of hunting, breeding, trial, training or competition.

Expressly incorporated by reference in this Section as minimum standards for kennel permit holders or multiple dogs keepers are the relevant provisions of Ch. 174, Wis. Stats.
- (5) **Inspection Consent.** A condition of being issued a kennel permit or multiple dogs license shall be that the licensed premises may be entered and inspected at any reasonable hour by appropriate Village officials without any warrant, and the application for a license hereunder shall be deemed a consent to this provision. Any refusal to permit such inspection shall automatically operate as a revocation of any license issued hereunder and shall be deemed a violation of this Section. Should any premises with a kennel permit or multiple dogs license be found to constitute a public nuisance, the license or permit shall be revoked and the nuisance abated pursuant to Village ordinances.
- (6) **Kennel Construction and Operation; Setback for Pens and Leashed Dog.** The following requirements apply to kennels:
 - a. No kennel permit shall be granted to any owner for the operation of an outdoor kennel unless the area within which the animals are to sleep, eat or exercise shall be completely enclosed with a wire mesh fence of appropriate height and strength to ensure proper confinement of said animals. A building permit shall be obtained from the Village for any dog pen or kennel structure.
 - b. No dog or animal outdoor pen/house/run may be constructed closer than ten (10) feet from a property line. No dog shall be tied so that it is closer than ten (10) feet from a property line.

All refuse and animal waste shall be removed at regular intervals to minimize odors and infestations of insects or vermin. No owner of the kennel shall permit any of the animals to create an

- (1) **Service Animals.** Notwithstanding the foregoing, all service animals specifically trained to work or perform tasks for the benefit of an individual with a disability are exempt from the licensing tax and every person owning such dog shall annually receive a dog license from the Village Administrator at no charge upon proper application thereof and proper vaccination required in Subsection (a)(4).
- (2) **Leader Dogs.** Notwithstanding the foregoing, every dog specifically trained to lead blind or deaf persons is exempt from the licensing tax and every person owning such dog shall receive annually a dog license from the Village Administrator at no charge upon proper application therefor and proof of rabies vaccination required in Subsection (a)(4).

State Law Reference: Sec. 174.053, Wis. Stats.

Sec. 7-1-4 Late Fees.

If, in the opinion of law enforcement or health authorities, the vaccinated animal cannot be confined securely at the residence of its owner or custodian, or exhibits signs of illness as determined by a licensed veterinarian, the animal shall be quarantined at a veterinary hospital under the supervision of a licensed veterinarian.
 - (2) **Unvaccinated Animal Bite Incidents.** Any animal which has bitten any person and which does not display evidence of rabies inoculation shall be quarantined within twenty-four (24) hours of the quarantine order at a veterinary hospital under the supervision of a licensed veterinarian for a minimum of ten (10) days. Furthermore, a dog or other animal is not unleashed or uncontrolled and at large if it is properly restrained within a motor vehicle.
 - (3) A service animal (as defined in Section 7-1-1) shall not be considered running at large whether or not the animal is on a leash if the animal is in the immediate company of the owner or immediately responds and obeys (e.g. a dog playing a game of "fetch" in a field or walking alongside its owner, a member of the owner's immediate family or the assisting individual of the service animals' owner).
 - (4) Any person or entity who violates this Subsection (b) shall be subject to a forfeiture of not less than Fifty Dollars (\$50.00), plus court costs, and not more than Five Hundred Dollars (\$500.00), together with any impoundment under Section 7-1-8.
- (c) **Owner's Liability for Damage Caused by Dogs or Other Animals; Penalties.** The provisions of Sec. 174.02, Wis. Stats., relating to the owner's liability for damage caused by dogs and other animals together with the penalties therein set forth are hereby adopted and incorporated herein by reference.
- (d) **Owner's Responsibility for Animal Bites.** It is the responsibility of an animal's owner when such dog or other animal bites a person, including when that person is lawfully present on the property.

Sec. 7-1-7 Prohibited Vicious or Dangerous Animals; Dangerous Dog Supplemental Registration.

- (a) **Definitions.** The following definitions shall be applicable in this Section:
- (1) **Dangerous Dog or Animal.** Shall be as defined in Section 7-1-1(a)(10).
 - (2) **Prohibited Vicious Dog or Animal.** Shall be as defined in Section 7-1-1(a)(21).

(b) **Prohibited Vicious Dogs and Other Animals.**

(1) **Village-Wide Prohibition.** No person shall harbor, keep or maintain within the Village of Rio any dog or other animal classified under this Chapter as a prohibited vicious dog or animal.

(2) **Determination of Prohibited Vicious Animal.**

a. A dog or other animal may be designated as a prohibited vicious animal whenever an enforcement officer finds that the animal meets the definition of prohibited vicious animal or is a potentially dangerous dog or animal in non-compliance with any of the requirements of this Section.

b. Upon finding that an animal meets the definition of a prohibited vicious animal, the enforcement officer may issue an order declaring an animal to be a prohibited vicious animal. Any dog or other animal alleged to be of prohibited vicious disposition by virtue of an attack upon a human being or domestic animal shall be confined subject to Sec. 173.21, Wis. Stats., or be confined at a location outside of the Village, as directed by the authorities, until the outcome of appeals and the disposition of the charge issued by citation.

c. Whenever the owner or caretaker of the animal desires to appeal such a determination, he/she shall, within seventy-two (72) hours after receipt of the order, deliver to the Village Administrator a written objection to the order stating specific reasons for contesting the determination. Upon receipt of the written objection, the matter shall be placed on the agenda of the Ordinance Committee for review; the Village President may deem it necessary to call a special meeting of that Committee to hear the written objection, the cost of such special meeting to be the responsibility of the appellant. The Ordinance Committee shall act as a quasi-judicial body allowing the animal's owner or caretaker an opportunity to present evidence as to why the animal should not be declared a prohibited vicious animal.

d. After the hearing, the owner or caretaker of the animal shall be notified in writing of the Ordinance Committee's decision. If the owner or caretaker of the animal further contests the determination, he/she shall within five (5) days of receiving the Committee's decision, seek review of the decision by the Village Board.

e. If the final determination is that the dog or animal is classified as prohibited vicious, the owner shall comply with the requirements of Subsection (b)(1) above within five (5) days after the final determination. The owner or caretaker of any dog or other animal found to be prohibited vicious shall be prohibited from returning that dog or other animal to the Village of Rio.

(c) **Penalty for Keeping Prohibited Vicious Dogs or Other Animals in Violation of Subsection (b).**

(1) **Forfeiture.** Any person convicted of violating Subsection (b) above shall pay a forfeiture of Five Hundred Dollars (\$500.00) together with all costs and assessments.

Each day that a person owns, harbors, keeps, maintains or cares for any prohibited vicious dog or other animal in violation of this Section may be deemed a separate and distinct violation, subject to separate citations and convictions. Furthermore, any violation of Subsection (b) above shall result in a further penalty of having the subject animal or dog impounded by any law enforcement or animal control officer of the Village of Rio, or any law enforcement or animal control officer of any jurisdiction authorized by the Village to enforce or effectuate the Village of Rio's ordinances. Each day of violation is a separate offense.

- (2) **Impoundment.** In the event that any prohibited vicious dog or animal has been impounded, said dog's or animal's owner shall be required to make arrangements to have said animal removed from the corporate limits of the Village of Rio within seven (7) days of impoundment or the end of the appeals process. In the event any impounded animal has not had arrangements made to remove said animal from the corporate limits of the Village of Rio within said seven (7) day period, any law enforcement officer or animal control officer for the Village of Rio shall be authorized to destroy said animal.

(d) **Restrictions and Rules Regarding Dangerous Dogs or Animals.**

(1) **Dangerous Animals Regulated.**

- a. No person may harbor or keep a dangerous dog or animal within the Village of Rio unless all provisions of this Section are fully complied with. Any animal that is subsequently determined to be a prohibited vicious animal under this Section shall not be kept or harbored in the Village of Rio.
- b. The issuance of a citation for a violation of this Section need not be predicated on a prior determination that an animal is a dangerous animal.

(2) **Procedure for Declaring an Animal Dangerous.**

- a. Upon conducting an investigation, an enforcement officer may issue an order declaring an animal to be a dangerous animal. Whenever possible, any complaint received from a member of the public which serves as part of the evidentiary basis for the animal control officer or law enforcement officer to find probable cause, shall be sworn to and verified by the complainant and shall be attached to the record.
- b. Whenever an owner or caretaker desires to contest a determination that his/her animal is dangerous, he/she shall, within seventy-two (72) hours after receipt of the order, file with the Village Administrator a written objection to the order stating specific reasons for objecting to the determination. Upon receipt of the written objection, the matter shall be placed on the agenda for a meeting of the Ordinance Committee, which shall act as a quasi-judicial body allowing the owner or caretaker of the animal an opportunity to present evidence as to why the animal should not be declared dangerous. The Committee may admit all relevant documents and testimony into evidence including incident reports and affidavits

of witnesses, photographs, and personal testimony. For the Ordinance Committee to determine that a dog or other animal is dangerous, there must be a preponderance of the evidence to establish the same.

- c. After the hearing, the owner or caretaker of the animal shall be notified in writing of the determination of the Ordinance Committee. If the Committee upholds the determination that the animal is dangerous, the owner or caretaker of the animal shall comply with the requirements of Subsection (d)(3) below. If the owner or caretaker decides to appeal the decision of the Ordinance Committee, he/she may, within five (5) days of receiving the Committee's decision, file an appeal with the Village Administrator for review of the decision by the Village Board.
- d. Upon appeal, if a determination is made that a dog or other animal is dangerous as herein provided, the owner, keeper, harbinger or caretaker shall comply with Subsections (d)(6)-(8) and in accordance with the time schedule established by law enforcement authorities or animal control officer serving the Village of Rio, or designee, but in no case more than thirty (30) days after the date of the determination.

(3) ***Affirmative Defenses; Exceptions.***

- a. No dog or other animal may be declared dangerous if any injury or damage was sustained by a person who, at the time the injury or damage was sustained, was committing a willful trespass or other tort upon premises occupied by the owner, keeper, harbinger or caretaker of the dog or other animal, or was teasing, tormenting, abusing, or assaulting the dog or other animal, or was committing or attempting to commit a crime.

- e. No dog or other animal may be declared dangerous if the injury or damage to another domestic animal was sustained while on the property or premises of the owner, harbinger, keeper or caretaker of the dog or other animal, and the injured domestic dog or animal was upon the property not owned or maintained by the owner of the injured or damaged domestic animal.

- (4) **Licensing and Vaccination Requirements; Dangerous Dog Supplemental Registration.** All dangerous dogs or other animals shall be properly licensed and vaccinated. The licensing authority for the Village of Rio shall include the potentially dangerous designation in the registration records of the dog, either after the owner or keeper of the dog has agreed to the designation or at the time the enforcement officer determines the designation applies to the dog or animal. The Village of Rio charges a dangerous dog registration fee in addition to the regular licensing fee per Sec. 1-3-1 to provide for the increased cost of maintaining the records of the dog; such registration fee shall be paid annually to the Village Administrator thereafter on or before April 1 of each year, accompanied by a current color photograph of the dog or animal being registered.
- (5) **Leash and Muzzle Requirements for Dangerous Animals.**

 - b. A dangerous dog or other animal may be off the owner's premises only if it is restrained by a substantial leash, not more than five (5) feet in length, and muzzled by a device sufficient to prevent the animal from biting persons or other animals, and if the animal is under the control and supervision of a responsible adult while being restrained by said leash and muzzle.
 - c.  - d. A dangerous animal may be securely leashed or chained outside to an immovable object, but only if the owner or caretaker is physically present with the animal at all times when it is so leashed or chained to prevent mistreatment.
- (6) **Confinement Requirements for Dangerous Animals.**
- a. Except when properly leashed and muzzled, all dangerous animals shall be securely confined indoors or in a securely enclosed and locked kennel or pen structure that is located on the premises of the owner or caretaker and which is constructed in a manner that does not allow the animal to exit the pen or kennel on its own volition.

paragraph. The pen or kennel shall be child-proof from the outside and animal-proof from the inside. A strong metal mesh double fence with adequate space between fences a minimum of two (2) feet shall be provided so that a child cannot reach into the animal enclosure. The pen or kennel shall have secure sides and a secure top attached to all sides. All structures for housing a dangerous animal shall be adequately lighted and ventilated and kept in a clean and sanitary condition.

- c. No dangerous animal may be kept on a porch, patio or in any part of a house or other structure on the premises of the owner or caretaker which would allow the animal to exit the building on its own volition. Such insurance shall remain in force and effect at all times that the animal is maintained or harbored in the Village of Rio. Annually, at the time of licensing and registration, proof of such insurance shall be provided to the Village. Whenever such liability insurance policy is cancelled or not renewed, the insurer and the owner or caretaker of the dangerous animal shall notify the Village of Rio of such cancellation or non-renewal in writing by certified mail.

- (10) **Notice Upon Death, Sale or Relocation of Animal.**
- a. No person may sell or transfer possession of a designated dangerous animal to another person without disclosing to the person to whom the dangerous animal is being sold or transferred of the fact that such animal is a dangerous animal and of all requirements imposed upon selling or transferring by this Section. No person may sell or transfer possession of a dangerous animal to another person without first notifying the Village's enforcement officer in writing, a minimum of three (3) days in advance of the sale or transfer of possession of the animal with the name, address and telephone number of the new owner or caretaker. If the dangerous animal is sold or given to a person residing outside of the Village of Rio, the owner or caretaker shall present evidence to the enforcement officer that he/she has notified the pertinent law enforcement agency serving the animal's new residence, including the name, address and telephone number of the new owner of the dangerous animal.

This prohibition shall not apply to animals being transported through the limits of the Village of Rio within a one (1) hour period of time. Wolf/dog hybrids permitted in the Village of Rio shall be confined as set forth in this Section.
- (c) **Removal; Impoundment.** Whenever any person is charged with harboring, keeping or maintaining a wolf/dog hybrid in the Village of Rio which has not been registered on or before January 30, 2023, that person shall, to the satisfaction of the court, remove said

- (d) **Confinement Requirements.** The owner of any wolf/dog hybrid permitted to be kept in the Village of Rio, and the owner of any property on which such wolf/dog hybrid is kept, shall see that the animal is at all times confined according to the minimum requirements of this Section. - (1) The first enclosure shall be constructed of not less than nine- (9-) gauge galvanized chain link fencing, with mesh openings not greater than two (2) inches, which shall be securely anchored by stainless steel or copper rings, placed at intervals not greater than six (6) inches apart, to a poured concrete base as described herein. Such enclosure shall be not less than five hundred (500) square feet in area, plus two hundred fifty (250) square feet for each additional canine animal kept therein. Such enclosure shall be the location in which any wolf/dog hybrid is primarily kept.
 - (2) The first enclosure shall extend to a height of not less than eight (8) feet, and shall be surrounded from ground level to a height of not less than four (4) feet by one-quarter (1/4) inch galvanized mesh screening.
 - (3) The first enclosure shall have a full top, which shall also be constructed of not less than nine- (9-) gauge chain link fencing with mesh openings not greater than two (2) inches, and which shall be securely anchored to the sides of the enclosure. 7-1-10

animal from escaping past an open gate or door. The gates or doors providing access to the first (innermost) enclosure shall be spring-loaded, so as to shut on their own accord behind anyone entering that enclosure.

- (6) Within the first enclosure, shelter shall be provided adequate to protect the animals confined against weather extremes. The first enclosure shall be regularly cleaned to remove excreta and other waste materials, dirt and trash, in a manner adequate to minimize health hazards and avoid offensive odors.
- (7) The above described enclosures shall be located in the rear yard of any property on which a wolf/dog hybrid is kept, as defined in the Village Zoning Code (Title 13).
- (e) **Transportation and Muzzling of Animals.** A wolf/dog hybrid may be transported only if confined in a secure, locked container, covered with one-fourth (1/4) inch galvanized fine mesh screen. This paragraph shall not prohibit the walking of such animals, provided they are muzzled and restrained by a leather lead, at least one (1) inch in diameter and not exceeding three (3) feet in length, attached to a metal choker-type collar, under the control of an adult. The muzzle must be made in a manner that will not cause injury to the wolf/dog hybrid or unduly interfere with its vision or respiration, but will prevent it from biting any person or animal.
- (f) **Right of Inspection.** To insure compliance with this Section, any person possessing any registration papers, certificate, advertisement or other written evidence relating to the bloodlines or ownership of a canine animal found within the Village of Rio shall produce the same for inspection on demand of any law enforcement, conservation, animal control or public health officer or court.

- (h) **Veterinary Exception.** The foregoing provisions of this Section shall not apply to doctors of veterinary medicine in temporary possession of wolf/dog hybrids in the ordinary course of their practice.
- (i) **Abandonment or Negligent Release.** No person shall willfully or negligently release or abandon a wolf/dog hybrid as defined herein within the Village of Rio.
- (j) **Nonconforming Enclosures.** As to any person keeping wolf/dog hybrids in existing enclosures in the Village of Rio on the date of original passage of this Section, Subsection (d) shall take effect on January 30, 2023; for all other persons, said Subsection shall take effect and be in force from and after passage and publication as provided by law. The remaining provisions of this Section shall take effect and be in force from and after passage and publication as provided by law.
- (k) **Wolf/Dog Hybrid Registration; Insurance Requirement.** All owners of any wolf/dog hybrid in the Village of Rio shall, on or before January 30, 2023, and annually thereafter on or before January 30th of each year, register such animal and provide a current color photograph of such animal with the Village Administrator's office and pay a registration fee

as prescribed in Section 1-3-1. At the time of registration, each owner of any wolf/dog hybrid kept within the Village limits shall provide to the Village Administrator proof of liability insurance in the amount of at least One Million Dollars (\$1,000,000.00) for any acts of property damage, personal injury or other liability incurred by virtue of any injury or damage inflicted by such wolf/dog hybrid. Such insurance shall name the Village of Rio as a named co-insured solely for the purpose of notice of cancellation of such insurance policy.

- (1) **Warning Sign.** The owner or keeper of a wolf/dog hybrid shall display on the premises on which such animal is kept signs warning that there is a wolf/dog hybrid on the property as provided herein. Such signs shall be visible and capable of being read within at least twenty (20) feet of their placement, but shall not be more than two (2) square feet in area, and shall state in bold, capital letters, on a white background, the following: "WARNING — WOLF/DOG HYBRIDS PRESENT". One such sign shall be placed in the front yard of any property on which any wolf/dog hybrid is kept, and additional such signs shall be placed on all gates or doors providing access through the second (outermost) enclosure required above.

Sec. 7-1-11 Keeping Of Exotic Animals; Protected Animals, Fowl, Reptiles and Insects.

(a) **Intent.**

(1) **Purpose.** It is the purpose and intent of the Village of Rio in adopting this Section to protect the public safety, health and general welfare from the safety and health risks that the unregulated keeping or harboring of exotic animals can pose to the community and to protect the health and welfare of permitted exotic animals held in private possession. By their very nature, exotic animals are wild and potentially dangerous, and, typically, do not adjust well to a captive environment. This Section shall be liberally construed in favor of the Village's right and authority to protect the public health, safety and welfare.

(2) **Prohibition.** It shall be unlawful for any person to own, possess, maintain, harbor, bring into the Village of Rio, have in one's possession, act as a custodian for, or have custody or control on an exotic animal, except in compliance with this Section.

The following standards shall be applicable and are conditions applicable to any Outdoor Events Permit:
 - (1) The outdoor sale of alcohol beverages (bar setup) in the outdoor events area is not permitted unless approved by the Village Board. If outdoor consumption of alcohol is intended, the applicant shall be required to obtain a valid Outdoor Consumption Permit. Approval of an Outdoor Events Permit application shall not act to permit outdoor consumption of alcohol beverages on the property beyond the area specifically authorized by issuance of an Outdoor Consumption Permit pursuant to this Section.
 - (2) The designated outdoor events area should be located away from residential structures as much as possible, with a desired distance of at least one hundred (100) feet from any area zoned for residential use, except for conditional residential uses, mixed use

premises within business districts, or residential uses located in the same licensed structure. This requirement may be increased or decreased at the discretion of the Village Board if unique site characteristics exist.

- (3) Parking should be adequate for the proposed event(s).
 - (4) The outdoor events area shall be clearly designated and enclosed with a physical boundary such as a fence, wall, or other screening approved by the Village Board not less than three (3) feet in height. The Village Board may require further enclosure or screening surrounding the outdoor events area to reduce noise, enhance aesthetics, and to otherwise further the purposes of this Section.
 - (5) The design and plan of the outdoor events boundary area should allow for reasonable access for participants and spectators and should restrict access for all other persons. If an Outdoor Consumption Permit is also issued, a licensed operator shall be responsible for supervising the outdoor events area at all times during which the outdoor events area is in operation.
 - (6) Unless exceptional circumstances exist, as determined by the Village Board, the outdoor events area shall be at ground level. Unless a special waiver is granted by the Village Board, no outdoor events area shall be located closer than five (5) feet to a public right-of-way.
 - (7) The outdoor events area design and plan for operation should have minimal adverse impacts on existing or potential surrounding land uses, public safety, and the general welfare of the Village of Rio. The Village Board may impose additional conditions on the permit, such as, but not limited to, restrictions on hours of operation, on amplified music and sound, on outdoor lighting, and other restrictions intended to further the purposes of this Section. Any amplified sound or music for the event(s) shall not exceed seventy-five (75) dB, measured at any boundary of the licensee's real property. Amplified music is only permitted if authorized in the Outdoor Events Permit.
 - (8) Sanitary facilities shall be adequate for the estimated frequency of events and the number of anticipated participants. The Village Board may require additional temporary restroom facilities to protect the public health.
 - (9) All garbage, debris, and other refuse from the event(s) shall be disposed of a minimum of once every twenty-four (24) hours during the activity and within twenty-four (24) hours after the event.
 - (10) Outdoor volleyball courts, horseshoe pits, or other similar such sports areas shall cease operation after 11:00 p.m. of each day in such outdoor areas.

- (j) **Fencing.**
- (1) A Class "B" fermented malt beverage and/or intoxicating liquor or "Class C" wine license holder whose premises are expanded to front, rear and/or side yard outdoor

areas such as patios, volleyball pits, outdoor sports areas, beer/beverage gardens and the like may be required to install fencing around the perimeter of the outside premises. Such fencing may consist of Village Board-approved wire mesh, solid vegetation, wood, plastic, or other similar material or a wall which will provide for an enclosed area on the outside of the licensed premises. Such barrier shall be a minimum of three (3) feet in height. The Village Board may modify or waive these fencing/screening requirement when a front yard use is proposed.

- (2) Prior to installation of such fencing, screening or wall, a diagram of the proposed barrier shall be submitted to the Village to ensure that the proposed barrier will adequately protect neighbors, limit noise, and prevent or limit access by underage individuals, while still providing sufficient visibility to law enforcement and other authorities to ensure the premises is complying with alcohol beverage and other requirements.
- (3) That in lieu of the fencing or barrier required above, the Village may authorize the use of security personnel to patrol such outdoor premises on a full time basis during such times that the outdoor premises are open for business.
- (4) Access to the outdoor consumption or event area shall *only* be through the main entrance to the Class "B" intoxicating liquor, Class "B" fermented malt beverage, and "Class C" wine licensed premises.

(k) **State Statutes Enforced.**

(1) Every permittee under this Section shall comply with and enforce all provisions of Chapter 125, Wis. Stats., applicable to Class "B" licensed premises, except insofar as such provisions are clearly inapplicable. Violation of the provisions of Chapter 125, Wis. Stats., shall be grounds for immediate revocation of the Outdoor Consumption Permit or Outdoor Events Permit by the Village Board.

(2) All applicable statutes and ordinances shall be in full force and effect.

(l) **Authority to Suspend Outdoor Alcoholic Beverages Permit.** Law enforcement officers shall have the authority to order any outdoor area regulated under this Section to be closed down at any time an Officer believes its continued operation is in violation of this Section, any other applicable Village ordinance, or provisions of Ch. 125, Wis. Stats.

(m) **Violations.** Failure of the licensee to comply with any of the provisions of this Section shall be grounds for suspension, nonrenewal or revocation of the licensee's alcohol beverage license or permits under this Section.

Sec. 7-2-20 Nude Dancing in Licensed Establishments Prohibited.

(a) **Authority.**

(1) The Village Board of the Village of Rio has explicit authority under Sec. 125.10(1), Wis. Stats., to adopt regulations governing the sale of alcohol beverages which are in addition to those set forth in Ch. 125, Wis. Stats.; and

- (2) The Village Board has authority under its general police powers set forth in Ch. 61, Wis. Stats., to act for the good order of the municipality and for the health, safety and welfare of the public; and may carry out its powers by regulation and suppression; and
- (3) The Village Board recognizes it lacks authority to regulate obscenity per Sec. 66.0107(3), Wis. Stats., and does not intend by adopting this Section to regulate obscenity, since nudity in and of itself is not obscene, it declares its intent to enact an ordinance addressing the secondary effects of live, totally nude, non-obscene, erotic dancing in bars and taverns; and
- (4) Bars and taverns featuring live totally nude, non-obscene, erotic dancing have in other communities tended to further the increase of criminal and other offensive activity, to disrupt the peace and order of the communities, to depreciate the value of real property, to harm the economic welfare of the communities and to negatively affect the quality of life of the communities; and such secondary effects are detrimental to the public health, safety and general welfare of citizens; and
- (5) The Village Board recognizes the U.S. Supreme Court has held that nude dancing is expressive conduct within the outer perimeters of the First Amendment to the United States Constitution and therefore entitled to some limited protection under the First Amendment, and the governing body further recognizes that freedom of speech is among our most precious and highly protected rights, and wishes to act consistently with full protection of those rights; and
- (6) However, the Village Board is aware, based on the experiences of other communities, that bars and taverns in which live, totally nude, non-obscene, erotic dancing occurs may and do generate secondary effects which the governing body believes are detrimental to the public health, safety and welfare of the citizens of the Village of Rio; and
- (7) Among these secondary effects are:
 - a. The potential increase in prostitution and other sex-related offenses, as well as other crimes and offenses;
 - b. The potential depreciation of property values in neighborhoods where bars and taverns featuring nude dancing exist;
 - c. Health risks associated with the spread of sexually transmitted diseases; and
 - d. The potential for infiltration by organized crime for the purpose of unlawful conduct.
- (8) The Village Board desires to minimize, prevent and control these adverse effects and thereby protect the health, safety and general welfare of the citizens of the Village of Rio; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and deter the spread of urban blight; and
- (9) The Village Board has determined that enactment of an ordinance prohibiting live, totally nude, non-obscene, erotic dancing in bars and taverns licensed to serve alcohol

beverages promotes the goal of minimizing, preventing and controlling the negative secondary effects associated with such activity.

- (b) **Nude Dancing in Licensed Establishments Prohibited.** It is unlawful for any person to perform or engage in, or for any licensee or manager or agent of the licensee to permit any person, employee, entertainer or patron to perform or engage in any live act, demonstration, dance or exhibition on the premises of a licensed establishment which:
 - (1) Shows his/her genitals, pubic area, vulva, anus, anal cleft or cleavage with less than a fully opaque covering; or
 - (2) Shows any portion of the female breast below a point immediately above the top of the areola; or
 - (3) Shows the covered male genitals in a discernably turgid state.
- (c) **Exemptions.** The provisions of this Section does not apply to the following licensed establishments; theaters, performing arts centers, civic centers, and dinner theaters where live dance, ballet, music and dramatic performances of serious artistic merit are offered on a regular basis and in which the predominant business or attraction is not the offering to customers of entertainment which is intended to provide sexual stimulation or sexual gratification to such customers and where the establishment is not distinguished by an emphasis on, or the advertising or promotion of, employees engaging in nude erotic dancing.
- (d) **Definitions.** For purposes of this Section, the term "licensed establishment" means any establishment licensed by the Village Board of the Village of Rio to sell alcohol beverages pursuant to Ch. 125, Wis. Stats. The term "licensee" means the holder of a retail "Class A", "Class B", Class "B", Class "A", or "Class C" licensee granted by the Village Board of the Village of Rio pursuant to Ch. 125, Wis. Stats.
- (e) **Penalties.** Any person, partnership or corporation who violates any of the provisions of this Section shall be subject to a forfeiture pursuant to Section 1-1-6. A separate offense and violation shall be deemed committed on each day on which a violation occurs or continues. In addition, violation of this Section constitutes sufficient grounds for suspending, revoking or non-renewing an alcohol beverage license under Sec. 125.12, Wis. Stats.

Sec. 7-2-21 Sidewalk Cafés.

- (a) **Introduction; Purpose.**
 - (1) No establishment may operate a sidewalk café without first having obtained approval of the Village Board, subject to the conditions of this Section. The provisions of this Section are applicable to all sidewalk cafés whether licensed or not to sell alcohol beverages.
 - (2) There may exist a need for outdoor eating facilities in certain areas of the Village of Rio to provide a unique environment for relaxation, social interaction, and food consumption.

- (3) Sidewalk cafés will permit enhanced use of the available public rights of way, will complement the restaurants operating from fixed premises, and will promote economic activity in an area.
 - (4) The existence of sidewalk cafés encourages commerce but their presence may impede the safe flow of pedestrians. Therefore, a need exists for standards for the existence and operation of sidewalk cafés to ensure a safe environment.
 - (5) The establishment of permit conditions and safety standards for sidewalk cafés is necessary to protect and promote public health, safety and welfare.
- (b) **Definitions.**
- (1) **Sidewalk Café.** An expansion of a full service restaurant creating an outdoor dining facility on part of the public right of way that immediately adjoins the licensed premises for the purpose of consuming food or beverages prepared at the full service restaurant adjacent thereto.
 - (2) **Full Service Restaurant.** An establishment whose food sales are greater than fifty percent (50%) of its gross receipts.
- (c) **Application; Permit Fee.**
- (1) **Application Information.** An application for expansion of the premises or the licensed premises to include a sidewalk café shall be filed with the Village Administrator with the following information:
 - a. The name, address, email address, and telephone number of the person or persons who will be responsible for the sidewalk café;
 - b. An accurate detailed description and/or design including dimensions of the property and the licensee's property, if serving alcohol.
 - (2) **Permit Term.** Each permit shall be effective for one (1) year, from April 1 until March 31.
 - (3) **Transfer.** The permit issued may be transferred to a new owner only for the location and area listed in the permit. The transferred permit shall be valid only for the remainder of the period for which it was originally issued. A new certificate of insurance must be filed with the Village within thirty (30) days of the permit transfer.
 - (4) **Fee.** The application shall be accompanied by payment of a fee as prescribed in Section 1-3-1 for review of the application. The application shall expire on June 30th of each year.
- (d) **Requirements.** Sidewalks cafés approved under this Section shall be subject to the following requirements. The Village Board may impose additional requirements at its discretion:
- (1) **Hours of Operation.** The service and consumption of alcohol beverages in the sidewalk café shall be limited to the hours of operation of the sidewalk café and Village ordinances.
 - (2) **Patrons.**
 - a. Alcohol beverages shall only be served to patrons of the establishment by a properly licensed server in the sidewalk café.

- b. Patrons of the sidewalk café shall remain seated at the table when consuming alcohol beverages.
 - c. Alcohol beverages shall only be served to patrons of the establishment with food service in the sidewalk café.
- (3) **Approved Site.** All sidewalk cafés shall be placed within approved boundaries of the sidewalk café site as determined by the Village Board. The Village Board shall make said determination by considering the following minimum factors: the distance the table and chairs of said café can extend into the sidewalk, upon considering the width of the sidewalk; no obstruction or interference with the public pedestrian walkway or interference with automobile traffic is allowed.
- (4) **Paved Area Requirement.** The entire sidewalk surface for the proposed sidewalk café shall be paved. A "paved surface" includes concrete, asphalt, cement, brick, pavers, or other impervious surface. Paved areas of the establishment's private property may be included within the boundary of the proposed café, if immediately adjacent to the paved public sidewalk. Trash receptacles shall be provided within the sidewalk café.
- (5) **Miscellaneous Requirements.** An establishment is not eligible for a permit if, in the opinion of the Village Board, the sidewalk café has obstructions on the adjacent sidewalk which interfere with the public right-of-way. The sidewalk café shall have at least one (1) unobstructed entrance, the position of which allows sufficient access to the public entrance for ingress and egress from and to the restaurant.
- (e) **Case-by-Determination.** Given unique circumstances, the Village Board may on a case-by-case basis modify or add to the above requirements.
- (f) **Responsibility of Permittee.** The permit holder shall, in addition to all other requirements of the law, the Village of Rio alcohol beverage license, and this Section, take reasonable steps to ensure that alcohol beverages are consumed only by patrons of the establishment who are of legal drinking age, and not by passersby or persons who are not of age or who are obviously intoxicated. Reasonable steps may include, but not be limited to, the use of portable barriers or fences, supervision of the outside area by security and staff personnel, or electronic surveillance monitors. Failure to take reasonable steps and use them at all times in the sidewalk café is grounds for suspension or revocation of the sidewalk café permit.
- (g) **Responsibility of Patrons.** No person shall leave the sidewalk café area listed in the permit with an alcohol beverage. Any person doing so shall be in violation of the Village of Rio outdoor consumption ordinance prohibiting the consumption of alcohol or possession of open containers on the streets.
- (h) **State Statutes Enforced.** Every permittee under this Section shall comply with and enforce all provisions of Ch. 125, Wis. Stats. Violation of the provisions of Ch. 125, Wis. Stats., shall be grounds for immediate revocation of the sidewalk café permit.
- (i) **Violations.** Failure of the permittee to comply with any of the provisions of this Section shall be grounds for suspension, non-renewal or revocation of the sidewalk café permit and/or the licensee's alcohol beverage license or licenses.

Sec. 7-2-22 Brewpubs.

- (a) **Definition.** The term "brewpub" shall mean a permittee who has been issued a permit by the Wisconsin Department of Revenue (WisDOR) under Sec. 125.295, Wis. Stats., and which permits a small brewery to be operated in conjunction with a bar or restaurant type establishment for fermented malt beverages consumption on the premises.
- (b) **Statutory Standards.**
- (1) The manufacture of fermented malt beverages is permissible by a qualified permittee on the brewpub premises provided the entire manufacturing process occurs on the premises and not more than ten thousand (10,000) barrels of fermented malt beverage are manufactured in a calendar year by the permittee's brewpub group. A brewpub's brewpub group may sell, ship and deliver up to one thousand (1,000) barrels of fermented malt beverages in any calendar year to outside retailers. A brewpub may also package and sell in refillable containers exceeding twenty-four (24) ounces in volume ("growlers"), at the request of a customer and sold on the brewpub premises, of fermented malt beverages that have been manufactured on the licensed premises.

Article B: Operator's License

Sec. 7-2-30 Operator's License Required.

- (a) **Operator's Licenses; Class "A", Class "B" or "Class C" Premises.** Except as provided under Sec. 125.32(3)(b) and Sec. 125.07(3)(a)10, Wis. Stats., no premises operated under a Class "A", Class "B", or "Class C" license or permit may be open for business unless there is upon the premises the licensee or permittee, the agent named in the license or permit if the licensee or permittee is a corporation, or some person who has an operator's license and who is responsible for the acts of all persons serving any fermented malt beverages to customers. An operator's license issued in respect to a vessel under Sec. 125.27(2), Wis. Stats., is valid outside the municipality that issues it. For the purpose of this Section, any person holding a manager's license under Sec. 125.18, Wis. Stats., or any member of the licensee's or permittee's immediate family who has attained the age of eighteen (18), shall be considered the holder of an operator's license. No person, including a member of the licensee's or permittee's immediate family, other than the licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A", Class "B", or "Class C" license or permit unless he or she has an operator's license or is at least eighteen (18) years of age and is under the immediate supervision of the licensee, permittee, agent or a person holding an operator's license, who is on the premises at the time of the service.

State Law Reference: Sections 125.17 and 125.32, Wis. Stats.

Sec. 7-2-31 Procedure Upon Application.

- (a) The Village Administrator may issue an operator's license, which license shall be granted only upon application in writing on forms to be obtained from the Village Administrator only to persons eighteen (18) years of age or older. Operator's licenses shall be operative only within the limits of the Village of Rio.
- (b) All applications are subject to an investigation by law enforcement authorities and/or other appropriate authorities to determine whether the applicant and/or premises to be licensed complies with all regulations, ordinances and laws applicable thereto. The Chief of Police shall conduct an investigation of the applicant including, but not limited to, requesting

information from the State, surrounding municipalities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the Chief of Police or other investigating authority, shall recommend, in writing, to the Village Administrator approval or denial of the application. If the Chief of Police or other investigating authority recommends denial, the Chief of Police shall provide, in writing, the reasons for such recommendation. If the Chief of Police recommends approval and the applicant satisfies application criteria, the Village Administrator shall approve the operator's license application. In instances where the Chief of Police recommends denial and/or application standards have not been met, the Village Administrator may refer the application to the Village Board for its action.

Sec. 7-2-32 Duration.

Licenses issued under the provisions of this Chapter shall be valid for a period of one (1) year and shall expire on the thirtieth (30th) day of June.

Sec. 7-2-33 Operator's License Fee; Provisional or Temporary Licenses.

 - (1) The Village Administrator may issue provisional operator's licenses in accordance with Sec. 125.17(5), Wis. Stats. The provisional operator's license shall expire sixty (60) days after its issuance or when an operator's license is issued to the holder, whichever is sooner.
 - (2) The Chief of Police shall, upon request, submit to the Village Administrator a report regarding the applicant's conviction history, if any.
 - (3) The applicant for such provisional license must present evidence to the Village Administrator establishing that the applicant is enrolled in an Alcohol Awareness Training Program established pursuant to Sec. 125.17(a), Wis. Stats.
 - (4) The Village Administrator may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such provisional license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his/her successful completion of the approved program, and the applicant shall also apply for a regular operator's license. No such provisional operators license shall be issued prior to a waiting period of less than ninety-six (96) hours [four (4) days], and the completion of a background check subject to limitations established by law.

- (5) A provisional operator's license may not be issued to any person who has been denied an operator's license by the Village, who has had his/her operator's license revoked or suspended within the preceding twelve (12) months, or who previously held an operator's license and who failed to complete the Alcohol Awareness Training Program without first successfully completing the program.
 - (6) No person shall be issued more than three (3) provisional licenses in any twelve (12) month period.
 - (7) The Village Administrator shall provide an appropriate application form to be completed in full by the applicant.

- (1) The temporary operator's license may be issued only to operators employed by, or donating their services temporarily to, nonprofit corporations.
 - (2) No person may hold more than two (2) temporary operator's licenses per year.
 - (3) The temporary operator's license is valid for any period from one (1) day to fourteen (14) days, and the period for which it is valid shall be stated on the license.

Sec. 7-2-34 Issuance or Denial of Operator's Licenses.

- (a) **Post-Approval License Issuance.** After the approval of the granting of an operator's license, the Village Administrator shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.
- (b) **Denial Notice; Reconsideration.**
 - (1) If the application is denied by the Village Administrator or Village Board, the Village Administrator shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by regular mail to, or served upon, the applicant at least ten (10) days prior to the Village Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.
 - (2) If, upon reconsideration, the Village Board again denies the application, the Village Administrator shall notify the applicant in writing of the reasons therefore. An applicant who is denied any license upon reconsideration of the matter, may apply to Circuit Court pursuant to Sec. 125.12(2)(d), Wis. Stats., for review.
- (c) **Licensing Criteria.**
 - (1) Consideration for the granting or denial of a license will be based on:

- a. Arrest and conviction record of the applicant, subject to the limitations imposed by Sections 111.321, 111.322, and 111.335, Wis. Stats.;
 - b. The financial responsibility of the applicant;
 - c. The appropriateness of the location and the premises where the licensed operator's work is to be conducted; and
 - d. Generally, the applicant's fitness for the trust to be reposed.
- (2) If a licensee is convicted of an offense substantially related to the licensed activity, the Village Administrator or Village Board may act to revoke or suspend the license.
- (d) **Consideration of Past Offenses.** Applications shall be reviewed in the context of the Village's operator's license application and review guidelines. Generally, an application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village, Village officials reserve the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Administrator or Village Board, at their discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.

Sec. 7-2-35 Training Course.

- (a) **Responsible Beverage Server Training Course Requirement.** Except as provided in Subsection (b) below, the Village may not issue an operator's license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical and adult education district and that conforms to curriculum guidelines specified by the board of vocational, technical and adult education or a comparable training course that is approved by the educational approval board or unless the applicant fulfills one of the following requirements:
- (1) The person is renewing an operator's license.
 - (2) Within the past two (2) years, the person held a Class "A", Class "B", "Class A", "Class B", or "Class C" license or permit or a manager's or operator's license.
 - (3) Within the past two (2) years, the person has completed such a training course.
- (b) **Provisional License Issuance Upon Course Enrollment.** The Village Administrator may issue a provisional operator's license to a person who is enrolled in a training course under Subsection (a) above and shall revoke that license if the applicant fails successfully to complete the course in which he or she enrolls.

- (c) **Additional Training Materials.** The Village may not require that applicants for operators' licenses undergo training in addition to that under Subsection (a), but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection (a).

Sec. 7-2-36 Display of License.

Each license issued under the provisions of Sections 7-2-30 through 7-2-37 shall be posted on the premises whenever the operator dispenses beverages or be in his/her possession, or carry a license card.

Sec. 7-2-37 Revocation of Operator's License.

Violation of any of the terms or provisions of the State law or of this Chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license. The demerit point system of Section 7-2-17 shall be applicable to holders of an operator's license.

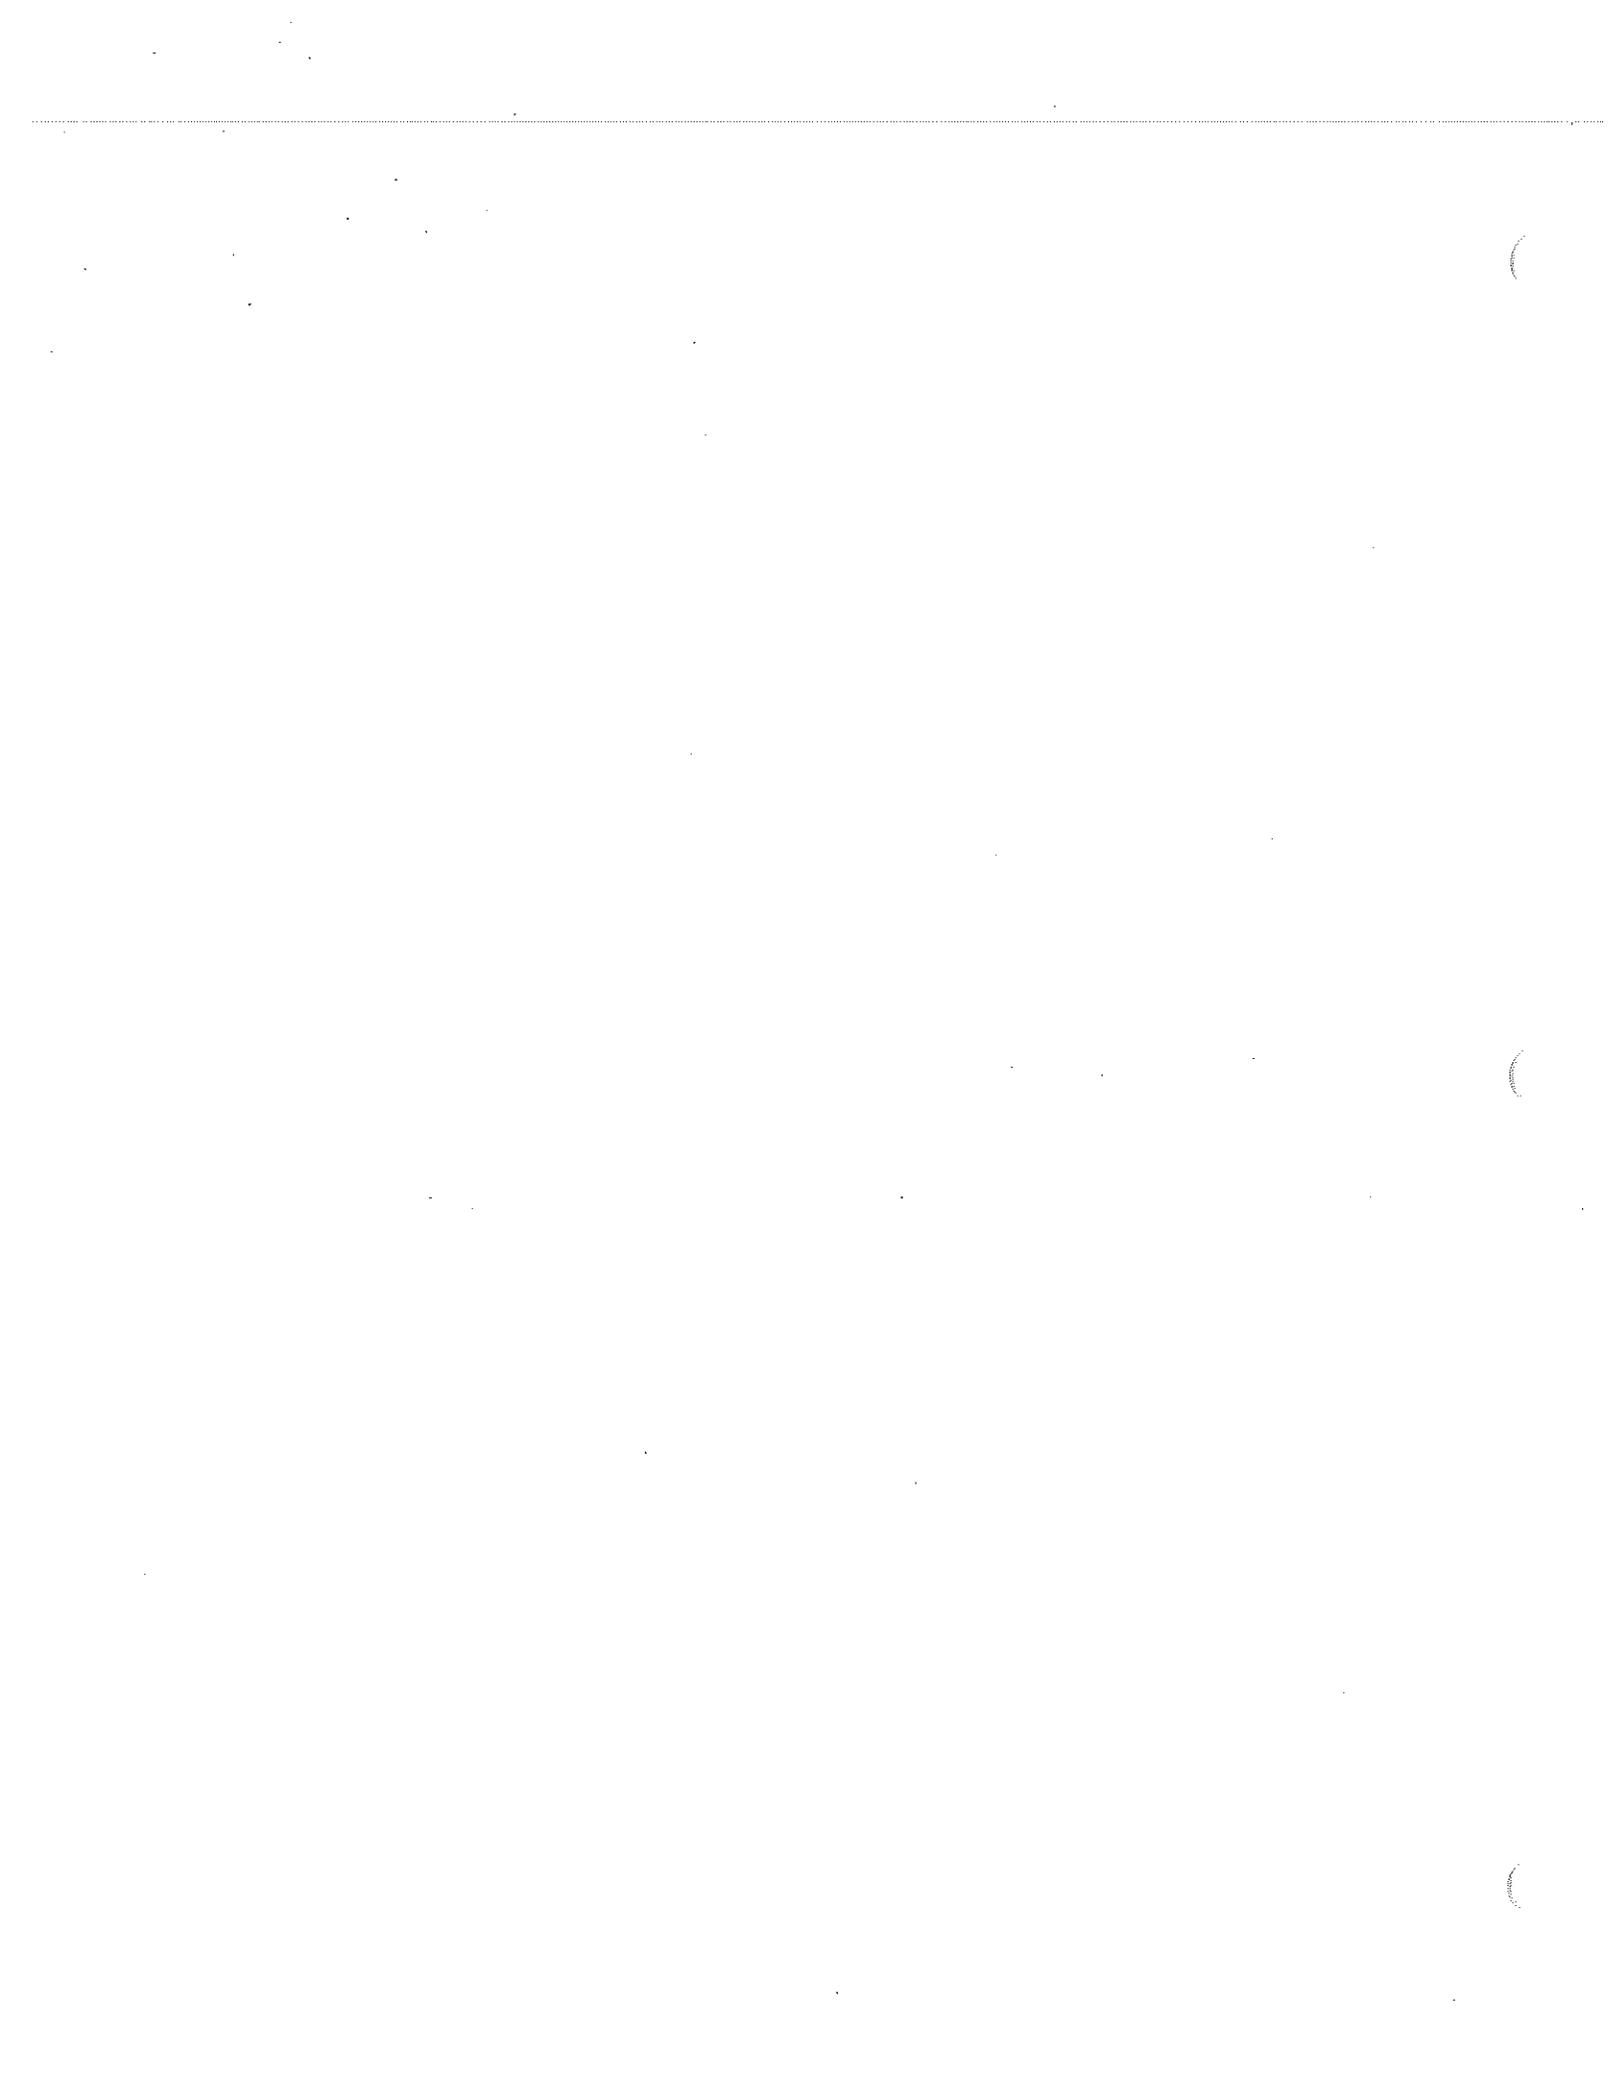

Sec. 7-2-38 through Sec. 7-2-39 Reserved for Future Use.

Article C: Penalties

- (b) **Application for License; Fee.** Every person, firm or corporation desiring a license under this Section shall file with the Village Administrator a written application therefor, stating the name of the person and the place for which such license is desired. Each license shall be filed by the Village Administrator and shall name the licensee and the place wherein he/she is authorized to conduct such business, and the same shall not be delivered until the applicant shall pay to the Village Administrator a license fee per Section 1-3-1.

The Village Administrator and Chief of Police may designate what streets and sidewalks or what portions thereof may be used for a special event. It shall be the duty of the permit holder to obey any such designation. Failure to obey shall be a violation of this Subsection by the permit holder and may result in the termination of the event or issuance of a Village ordinance citation. A future Special Event Street Use Permit may be denied based on a past violation of this Section.
- (m) **Insurance.** The applicant for a Special Event Street Use Permit may be required to indemnify, defend and hold the Village and its officials/employees and agents harmless against all claims, liability, loss, damage or expense incurred by the Village on account of any injury to or death of any person or any damage to property caused by or resulting from the activities for which the permit is granted. Title 7 ► Chapter 9

Synthetic Drug Establishments

7-9-1	Findings of Fact; Statement of Purpose
7-9-2	Definitions
7-9-3	Licensing of Synthetic Drug Establishments
7-9-4	Prohibited Acts and Conduct

Sec. 7-9-1 Findings of Fact; Statement of Purpose.

- (a) **Findings of Fact.** The Village Board of the Village of Rio finds the following facts to exist:
- (1) Law enforcement authorities have advised Village officials that the increased use of synthetic drugs is negatively affecting the health, safety and welfare of the public.
 - (2) Synthetic drugs are commonly marketed as a safe and legal alternative to marijuana or other controlled substances regulated by Chapter 961, Wis. Stats.
 - (3) Ingestion of synthetic drugs has been shown to produce dangerous side effects such as, but not limited to:
 - a. Nausea;
 - b. Vomiting;
 - c. Hallucinations;
 - d. Blurred vision;
 - e. Delusions;
 - f. Headaches;
 - g. Agitation;
 - h. Anxiety;
 - i. Insomnia;
 - j. Convulsions;
 - k. Addiction;
 - l. Psychosis;
 - m. Elevated blood pressure;
 - n. Loss of consciousness;
 - o. Tremors;
 - p. Suicidal thoughts;

- q. Seizures;
 - r. Paranoid behavior;
 - s. Elevated or irregular heart rates; and
 - t. death.
- (4) Due to the manner in which such synthetic substances are marketed, the manufacture and sale of synthetic drugs is purportedly not fully regulated by the federal Food And Drug Administration (FDA) and/or federal drug enforcement authorities.
 - (5) Because slight molecular alterations can be made to chemical compounds, law enforcement authorities have often found it difficult to take enforcement actions against manufacturers and sellers of synthetic drug products. Synthetic drugs are currently being sold without even basic regulation and licensing requirements of the type other businesses in the Village of Rio must comply with.
 - (6) Like the marketing of synthetic cannabinoids [such as, but not limited to, Spice/K2], as incense, these substances are commercially available and in some instances are marketed as "bath salts" under such names as Bliss, Vanilla Sky, White Lightning, Ivory Snow, Red Dove and Hurricane Charlie, or are packaged or marketed as potpourri, incense, plant food, spice, tobacco, or dietary supplements.
 - (7) The establishment of retail points of sale for synthetic drug products in the Village of Rio would increase the use of synthetic drugs, and would likely have negative secondary effects on nearby businesses and residences.
- (b) **Statement of Purpose.** This Chapter provides certain minimum licensing standards for establishments making available to the public synthetic drugs. The purpose of this Chapter is not to condone illegal activity nor is it to legitimize activity that may now, or in the future, be considered illegal activity under state or federal laws or local ordinances.

Sec. 7-9-2 Definitions.

For purposes of this Chapter, the following words and phrases shall have the following meanings:

- (a) **Synthetic Drug.** The term "synthetic drug" means one (1) or more of the following:
- (1) A substance that a reasonable person would believe is a synthetic drug;
 - (2) A substance that a reasonable person would believe is being purchased, sold or given away as a synthetic drug;
 - (3) A substance which has been listed as a regular synthetic drug in the Wisconsin Statutes or Village ordinances, and their derivatives, analogues, homologues, salts, optical isomers and salts of optical isomers with substantially similar chemical structure and pharmacological activity as a synthetic drug or other controlled substance; or
 - (4) A substance that a person knows or should have known was intended to be consumed by ingestion, inhalation, injection or any other immediate means, and consumption

was intended to cause or simulate a depressant, stimulant or hallucinogenic effect on the central nervous system that is substantially similar to or greater than the depressant, stimulant or hallucinogenic effect on the central nervous system of a controlled substance on Schedule I through V as defined in Chapter 961, Wis. Stats. "Synthetic drug" does not mean legal food or drug ingredients, prescription drugs, alcohol, tobacco or dietary supplements.

- (b) **Synthetic Drug Establishment.** Any business establishment where a person engages in the sale or giving away of synthetic drugs.

Sec. 7-9-3 Licensing of Synthetic Drug Establishments.

- (a) **License Required.** No person shall engage in the business of owning and/or operating a synthetic drug establishment, either exclusively or in connection with any other business enterprise, in the Village of Rio without first obtaining a license for each synthetic drug establishment. Each licensee shall be eighteen (18) years of age or older.
- (b) **License Applications.**
- (1) An application for a synthetic drug establishment license shall be made to the Village of Rio in letter format or on forms supplied by the Village containing the following information:
 - a. A description of the business, including a general description of the types of merchandise sold;
 - b. A description of the location of the premises to be licensed;
 - c. The full names and addresses of the property owner, business owner, business manager or agent, lessee, and business operator, and the date of birth and contact information (email address; cellphone, landline and fax numbers) of each;
 - d. If the applicant is a partnership, limited liability corporation or corporation, the full names and residence addresses of each of the partners including limited partners, and the address of the business entity if different from the address of the synthetic drug establishment; and
 - e. A statement from each of the above individuals as to whether any of the aforementioned individuals have ever been convicted of any crime or offense other than a traffic offense, and if so, a description of the offense, including date, time, place and disposition.
 - (2) An annual license per Section 1-3-1 shall be paid at the time the application is filed with the Village Administrator. The fee will not be prorated and is non-refundable. A separate license shall be obtained for each place of business. Unless suspended or revoked, a license shall be effective from January 1 through December 31 annually.
- (c) **Investigation; Report; Delinquent Taxes.**
- (1) The Village Administrator shall notify, as appropriate, law enforcement authorities, Fire Inspector and health inspection officials of each new and renewal application.

Such authorities shall investigate whether the applicant and/or premises subject to licensing will be able to comply with all regulations, ordinances and laws applicable thereto, including, but not limited to, requesting information from the State of Wisconsin, other states, municipalities and/or any community where the applicant has previously resided or operated a business concerning the applicant's arrest and conviction record.

- (2) Based upon such investigations, the law enforcement authorities, Fire Inspector and health inspection officials shall recommend, in writing, to the Village Board approval, conditional approval or denial, with the reasons provided for such recommendation.
- (3) No license shall be renewed without an investigative report as originally required.
- (4) No license shall be issued for operations on any premises or with any equipment for which taxes, assessments, forfeitures or other financial claims of the Village of Rio are delinquent and unpaid.

(d) **License Determination.**

- (1) Opportunity shall be given by the Village Board to any person to be heard for or against the granting of a license.
- (2) If the Village Administrator or other Village official finds that they have insufficient information to evaluate the license application, they may request that the applicant or his/her agent file an amended application or appear at a reasonable time and place to give under oath information concerning the application. No license shall be granted to any applicant who refuses to cooperate with the investigation process or who fails to appear, personally or by his/her agent, before the Village Board when the license application is under consideration.
- (3) No license under this Chapter shall be issued unless it is approved by the Village Board, upon the recommendation of the investigating/inspecting authorities, and unless the establishment has passed fire and health inspections. The Village Board shall not approve any new or renewal license application if there are reasonable grounds to believe that:
 - a. The granting of said license would result in a violation(s) of the law;
 - b. The license application contains false or misleading information or statements;
 - c. The location of the proposed licensed premises is not appropriate; and/or
 - d. Other good cause exists for denying the license.
- (4) An application may be denied based upon the applicant's or his/her manager's arrest and conviction record if the applicant or his/her manager has been convicted of a felony (unless duly pardoned) or if the applicant or manager has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of

which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and the facts and circumstances of the offense when making its determination to grant, deny or not renew a license. In addition, the Village Board, at its discretion, may, based upon an arrest or conviction of two (2) or more offenses which are substantially related to the licensed activity within five (5) years immediately preceding, act to suspend such license for a period of up to one (1) year or revoke the license.

- (5) If the Village Board denies the license, the applicant shall be notified, in writing, by personal service or certified mail, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Village Board and to provide evidence as to why the denial should be reversed. Written notice of any reconsideration shall be mailed to the applicant a minimum of seven (7) days prior to the Village Board meeting at which the application is to be reconsidered.
- (e) **Posting of License.** Every person licensed in accordance with the provisions of this Chapter shall post such license and keep the same posted in a conspicuous place on the premises.
 - (f) **Suspension or Revocation of Licenses.** The Village Board may suspend or revoke any license issued under this Chapter, if, after giving the licensee the opportunity to be heard on the matter, the Village Board finds:
 - (1) The licensee has violated a provision of this Chapter or any other law relating to the conduct of its operation including, but not limited to, federal, state or local laws;
 - (2) The licensee secured the license through misrepresentation or fraud regarding any material fact in the license application;
 - (3) The failure of the licensee to cooperate with law enforcement, fire or health authorities in any investigation relating to their operations or failure to admit law enforcement officers into the establishment at any time when people are present in the establishment;
 - (4) The establishment is operated in such a way as to endanger public health or safety;
or
 - (5) The establishment is operated in such a way as to constitute a public nuisance under Sec. 823.07, Wis. Stats., or Village ordinances.
 - (g) **Consent to Entry.** Every applicant procuring a license thereby consents to the entry of law enforcement authorities or duly authorized representatives of the Village of Rio at all reasonable hours for the purpose of inspection and search, and consents to the removal from said premises of all things and articles that are in violation of Village ordinances or state laws, and consents to the introduction of such things and articles in evidence in any prosecution that may be brought for such offenses.
 - (h) **Licensee or Permittee Responsible for Acts of Help.** A violation of this Chapter by a duly authorized agent or employee of a licensee under this Chapter shall constitute a violation by the licensee.

Sec. 7-10-1 Finding of Fact; Purpose.

- (a) **Findings of Fact.** For purposes of this Chapter, the Village Board of the Village of Rio makes the following findings of fact:
- (1) It is a lawful purpose of the Village Board of the Village of Rio to enact regulatory ordinances under its police powers protecting and promoting the general welfare, orderly conduct, health and safety of its citizens; and
 - (2) The Village Board of the Village of Rio believes that it is in the best interests of the health, safety and general welfare of the citizens of the Village to regulate and thereby diminish the dangerous and/or negative secondary effects that accompany adult oriented establishments; and
 - (3) Such dangerous and/or negative secondary effects associated with adult oriented businesses include, but are not limited to, increased criminal activity of both a sexual and violent nature; lowered property values; urban blight; a loss of pride in a community; and an increase in sexually transmitted diseases; and

- (4) The Village Board of the Village of Rio has knowledge of studies conducted by Phoenix, Arizona; Whittier, California; Adams County, Colorado; Indianapolis, Indiana; New York, New York; New Hanover County, North Carolina; Austin, Texas; Beaumont, Texas; Dallas, Texas; El Paso, Texas; and Newport News, Virginia, that indicate that adult oriented establishments have either a strong or direct correlation to increased crime; and
- (5) A land use study conducted by the City of Phoenix, Arizona, which studied the link between adult oriented establishments and their relationship to increased crime found that the number of sex offenses was five hundred and six percent (506%) greater in neighborhoods where adult oriented establishments were located, and which also concluded that the crimes of sexual assault, lewd and lascivious behavior and child molestation were one hundred and thirty-two percent (132%) greater in neighborhoods in which adult oriented establishments were located; and
- (6) The Village Board of the Village of Rio has knowledge of studies conducted by Garden Grove, California; Los Angeles, California; Indianapolis, Indiana; Minneapolis, Minnesota; Las Vegas, Nevada; New York, New York; New Hanover County, North Carolina; Oklahoma City, Oklahoma; Austin, Texas; El Paso, Texas; Newport News, Virginia; and St. Croix County, Wisconsin, that indicate a correlation between the location of adult oriented establishments and decreased property values of the surrounding areas; and
- (7) A study surveying one hundred (100) Oklahoma City, Oklahoma, real estate appraisers concluded that a concentration of adult oriented businesses may mean large losses in area property values; and
- (8) The Village Board of the Village of Rio has knowledge of studies conducted by Minneapolis, Minnesota; Elliotsville, New York; Islip, New York; New Hanover County, North Carolina; Amarillo, Texas; and El Paso, Texas, which conclude that when adult oriented establishments are allowed to concentrate in one area the negative secondary effects of adult oriented establishments may be magnified; and
- (9) The Elliotsville, New York, Village Board of Trustees found that isolation of adult oriented establishments limits their negative secondary effects; and
- (10) A report by the Islip, New York, Department of Planning found that the location of two (2) adult oriented establishments located near each other created a "dead zone" in an otherwise healthy business district; and
- (11) A legislative report prepared by the Sexually Oriented Business Revision Committee for the Houston, Texas, City Council concluded that due to criminal activity associated with adult oriented establishments, licenses should be required of all adult oriented establishment employees; and
- (12) A report based on a memorandum from the Tuscon Police Department Investigative Services Division to the City Prosecutor conducted by the City of Tuscon, Arizona, dated May 1, 1990, concluded that police officers found a wide variety of illegal

- sexual conduct at all adult oriented establishments and that virtually every establishment had employees arrested for prostitution or obscene sex shows and which found that one of the employees arrested for such acts was a 15 year old girl; and
- (13) A legislative report prepared by the Sexually Oriented Business Revision Committee for the Houston, Texas, City Council concluded that the lack of clear lines of view, insufficient lighting and locked rooms decreases the ability of adult oriented establishment owners, managers and employees from monitoring behavior and preventing lewd behavior on the part of customers, and that this is behavior which may lead to unsanitary conditions and the spread of communicable diseases.

(b) **Purpose.**

7-13-1	Purpose; Definitions
7-13-2	Permit Requirements

Sec. 7-13-1 Purpose; Definitions.

- (a) **Purpose.** The Village of Rio recognizes that Village streets and highways are primarily for the use of vehicular travel. It further recognizes a need to use these public streets and highways for processions, parades, runs, walks, bicycle races, marathons, etc., which do not substantially interfere with the public's right to travel on such streets and highways. This Chapter is intended to regulate and control nonvehicular use of the streets and highways and for protecting the general welfare and safety of the persons using the streets and highways within the Village of Rio. Said authority to regulate is contained in Sec. 349.185, Wis. Stats., and related sections.
- (b) **Definitions.** As used in this Chapter:
- (1) "Processions, parades, runs, walks, marathons, bicycle races, etc.," means their usual and customary usage.
 - (2) "Highways" or "streets" have the meaning set forth in Sec. 340.01; Wis. Stats., and also include areas owned by the Village of Rio which are used primarily for pedestrian or vehicular traffic.

Sec. 7-13-2 Permit Requirements.

- (a) **Permit Required.** No person shall form, direct, lead or participate in any procession, parade, run, walk, marathon, bicycle race, etc., on any street or highway under the jurisdiction of the Village of Rio unless a permit has been obtained in advance as provided in this Chapter.
- (b) **Exemptions from Permit Requirement.** A permit is not required for assembling or movement of a funeral procession or military convoy. Any parade, etc., sponsored by any

agency of the federal or state government, acting in its governmental capacity within the scope of its authority, shall be required to obtain a permit, however shall be exempt from the parade permit fee and insurance requirements contained herein.

- (c) **When Application Must Be Made.** A written application for a permit for any above-described function on the streets and highways under the jurisdiction of the Village shall be made by one (1) of the organizers or officers to the Village Administrator no less than fifteen (15) days prior to the usage.  - (1) The name, address and telephone (landline, fax and cellphone) number of the applicant.

 - (4) The date when the usage is to be conducted and its duration.
 - (5) The assembly area, the starting point, the route to be traveled and the termination point.
 - (6) The number and size of participants or units comprising the usage.

 - (8) Any additional information which the Village Administrator finds reasonably necessary for a fair determination as to whether a permit should be issued.
- (e) **Recommendations of Governmental Agencies.** The Village Administrator shall submit a copy of the application to the Public Works Department, Chief of Police and, as appropriate, other law enforcement authorities, for their recommendations prior to making a determination on the application.
- (f) **Basis for Discretionary Denial of Permit.** The application may be denied:
 - (1) If it is for a usage that is to be held on a work day during hours when and at places where, in addition to the proposed usage, the flow of vehicular traffic is usually delayed by its own volume.
 - (2) If it is for a usage that is to be commenced between the hours of 9:00 p.m. and 9:00 a.m.
 - (3) If sufficient supervision would not be provided as to reasonably assure the orderly conduct of the usage.
 - (4) If the proposed route for conducting usage involves a street or highway under construction or detour route.

- (g) **Mandatory Denial of Permit.** The application shall be denied:
- (1) If it is made less than fifteen (15) days in advance of the time the usage is scheduled to commence; or
 - (2) If it is for a usage that is primarily for private or commercial economic gain; or

- (h) **Permit Issued Unless Threat to Public Safety.** The Village Board shall issue a permit to the applicant subject to the foregoing requirements of this Chapter, unless the Village Board concludes that:
- (1) The policing of the usage will require so large a number of persons and vehicles, including ambulances, as to prevent adequate service of the needs of the rest of the municipality; or
 - (2) The usage will substantially hinder the movement of law enforcement and fire and other emergency vehicles as to create a substantial risk to persons and property; or
 - (3) The conduct of the usage will substantially interrupt the safe and orderly movement of other traffic contiguous to its route; or
 - (4) The usage is so poorly organized that participants are likely to engage in aggressive or destructive activity.
- (i) **Grant or Denial of Permit.**
- (1) **Time When Required.** The Village Board shall act as promptly as it reasonably can on all applications for permits after consulting with other government agencies directly affected and after consulting with the applicant, if necessary. All applications filed forty-five (45) days or more in advance shall be granted or denied not less than thirty (30) days before the date of the usage stated in the application. Action on applications filed less than forty-five (45) days in advance shall be taken within fifteen (15) days after the application is filed, but in no case later than forty-eight (48) hours in advance of the time applied for. The Village Administrator shall immediately, by the most reasonable means of communication, notify the applicant of such action and, if the application is denied, the reasons for denial of the permit.
 - (2) **Modification of Requested Permit.** In lieu of denying a permit, the Village Administrator or designee may authorize the changing of assembly areas or dispersal areas or the conducting of the usage at a date or time or over a route different than as applied for in the permit. The applicant or permittee may accept such modification by immediately notifying the Village Administrator in writing of such acceptance.

- (j) **Fee.** There shall be paid at the time of filing the application for a usage permit a fee of per Section 1-3-1. The fee may be waived at the discretion of the Village Board.
- (k) **Charge for Increased Costs.** Where the Village Administrator determines that the cost of municipal services incident to the staging of the usage will be increased because of the usage, the Village Administrator may require the permittee to make an additional payment into the general fund of the Village in an amount equal to the increased costs.
- (l) **Emergency Revocation.** The Village President, Village Administrator or a law enforcement officer may revoke a permit already issued if the official deems that such action is justified by an actual or potential emergency due to weather, fire, riot, other catastrophe or likelihood of a breach of the peace or by a major change in the conditions forming the basis of the standards of issuance. In lieu of revoking a permit, an above-named official may require the permittee to file evidence of good and sufficient sureties, insurance in force or other evidence of adequate financial responsibility, running to the Village of Rio and such third parties as may be injured or damaged, in a amount depending upon the likelihood of injury or damage as a direct and proximate result of the holding of the usage sufficient to indemnify the municipality and such third parties as may be injured or damaged thereby, caused by the permittee, its agents or participants.
- (m) **Usage Permit Contents.** Each usage permit shall state such information or conditions as the Village Board or Village Administrator shall find necessary to the enforcement of this Chapter.

 - (2) **Participants.** No person who leads or participates in any usage shall disobey or encourage others to disobey this Section after a law enforcement officer has directly and presently informed him or her of any of the provisions of this Section or the terms of the applicable usage permit.
- (p) **Insurance Required.** Prior to issuance of the permit, the Village Board or Village Administrator may require each permittee to furnish evidence of a liability insurance policy in amounts of not less than One Hundred Thousand Dollars (\$100,000.00) for one (1) person and Five Hundred Thousand Dollars (\$500,000.00) for any one (1) accident and shall be in force and effect at the time such usage is to take place. Said evidence of insurance shall include a certificate of insurance naming the Village of Rio as an additional named insured in connection with said usage.
